

The Preadmission Program

The Women's Pavilion Admissions Office offers a complete Preadmission Program that allows you to be more fully prepared for your upcoming admission and delivery.

The Women's Pavilion offers single room maternity care featuring beautiful home-like suites. For more information about childbirth classes, please contact the Women's Pavilion at (205) 333-4296.

Please bring this Preadmission Questionnaire to the Information Desk in the lobby of the Women's Pavilion *after your first physician visit*. You may also mail it to: **Women's Pavilion, 2700 Hospital Drive, Northport, AL 35476**. Once we have received your completed form, your preadmission record will be created.

Also bring your insurance card by the Information Desk for a copy to be made.
