You have requested an appointment for a 4-D Ultrasound. Please understand that this is not a medically indicated or diagnostic ultrasound. The cost for a twenty minute 4-D Ultrasound is \$50.00. Pictures and a DVD of the ultrasound can be purchased for an additional \$75.00.

Obstetrics and Gynecology of West Alabama, P.C., will make every effort to get pictures that are acceptable however, that will depend on the "cooperation" of the baby. If the pictures are deemed unacceptable you do not have to purchase them and you may schedule another 4-D Ultrasound if you wish.

* There will be **no refunds** made for ultrasound appointments, DVDs or pictures.
